

A GENERAL UPRISING.

An Insurrection in the Vilayet of Salonica.

Alleged That the First Three Divisions of the Bulgarian Army at Philippopolis, Sofia and Slivnac Were Called Out.

Salonica, European Turkey, Sept. 16.—A general insurrection in the vilayet of Salonica, east of the Vardar river, is announced to have begun Monday. The region is divided into eight districts, each commanded by a Bulgarian officer. Gen. Zontcheff, president of the Macedonian committee, is the commander-in-chief.

Sofia, Sept. 16.—No important step is likely to be taken at the present critical juncture, pending the return to the capital of Prince Ferdinand and a reply from the powers or some intimation from them in response to Bulgaria's note.

The air here is filled with rumors of mobilization. It is alleged that the first three divisions of the army, having their centers at Sofia, Philippopolis and Slivnac, have been called out.

London, Sept. 17.—The efforts of the powers, according to the latest telegrams, are directed both at Constantinople and Sofia towards an endeavor to avert war. It is said that all the ambassadors at Constantinople have drawn the porters' attention to the danger of permitting a continuation of the excesses in Macedonia by the Turkish troops and irregulars.

The Daily Chronicle says it understands that Great Britain has decided on a still stronger step in the dispatch of a British squadron in support of her diplomatic endeavors at Constantinople to put an end to the massacres. It is impossible, however, to confirm or deny the Daily Chronicle's statement.

Most of the special correspondents in the near east consider war inevitable, but think it may yet be delayed, neither the Bulgarians nor the Turks being really prepared for it. Bulgaria is not sufficiently armed, while Turkey does not feel safe until her lines of communication are less at the mercy of Bulgarian insurgent bands.

A Vienna paper asserts that Prince Ferdinand, of Bulgaria, has sent a trusted agent to King Peter, inviting Serbian co-operation against Turkey.

The correspondent of the Daily Telegraph at Sofia says Bulgaria's reply to the porters' protest against the continual crossing of the frontier by bands and the smuggling of arms and ammunition from Bulgaria was couched in most uncomplimentary language, leaving no prospect whatever of an amicable arrangement.

A dispatch to the Daily Mail from Sofia says Prince Ferdinand will grant an audience to John B. Jackson, the United States agent at Sofia.

Constantinople, Sept. 17.—Official dispatches report that in an encounter between the Turks and a large body of insurgents at the village of Kermion, near Lake Pedelepe, the insurgents were routed and lost more than 100 killed and a great number wounded. In the same vilayet the insurgents set fire to the village of Kachin. One hundred and fifty houses were burned and six women perished in the flames.

ALLEGED WHITECAPPERS.

Four Men Were Placed Under Arrest at Troy, Ala.

Troy, Ala., Sept. 16.—John Green, Jesse Green, James Sanders, A. V. Morton, Richard Mann, Wash Green and Buford McCall, alleged whitecappers, were brought before United States Commissioner Tutwiler Tuesday. Their hearings were set for September 17 and they are now in jail. It is alleged that these are members of the gang which for some time has been terrorizing Negroes of Barbour county warning the blacks to leave under penalty of death.

Wants the Army Canteen Restored. Washington, Sept. 17.—Brig. Gen. Frank D. Baldwin, commanding the department of the Colorado, in his annual report, made to the secretary of war, urges the re-establishment of the army canteen under proper restrictions.

One Hundred Persons Perished. London, Sept. 17.—A dispatch to the Daily Mail from Hong-Kong announces that during a typhoon the steamer On-Ling-Wo capsized off Kwang-Chau-Wan and 100 persons perished.

Patent Office Report. Washington, Sept. 16.—The annual report of the commissioner of patents shows a total of 29,293 patents, 2,194 trade marks issued during the year. The applications for mechanical patents numbered 49,199.

Death of Ex-Senator James Kerr Kelly. Washington, Sept. 16.—James Kerr Kelly, formerly United States senator from Oregon, died at his residence here Tuesday, aged 84 years. He was a native of Pennsylvania. Judge Kelly was a forty-niner.

To Confer With the President. Birmingham, Ala., Sept. 16.—Josh Thompson, collector of internal revenue in Alabama, and one of President Roosevelt's advisers in this state, left Tuesday for Oyster Bay, where he was called for a conference with the president.

Death of H. Chester Van Sant. Philadelphia, Sept. 16.—H. Chester Van Sant, eastern manager of the United States steel corporation, died Tuesday from appendicitis at his residence in this city after an illness of but six days. He was 43 years of age.

THE JURY SELECTED.

Very Little Interest is Manifested in the Curtis Jett Trial.

Cynthiana, Ky., Sept. 16.—In the case of Curtis Jett, now on trial here for the alleged assassination of Jim Cockrill at Jackson, Ky., on July 21, 1903, after 15 witnesses had been introduced for the defendant and 11 for the commonwealth, on motion of defendant for change of venue, Judge Osborne decided that the case should be tried here and at once, indicating that if no jurors could be selected from this county that he would order Sheriff Leach to go to other counties and summon jurors. Twenty-four men were on regular panel for this term of court and of this number seven men have been accepted as jurors and at the close of court Tuesday afternoon the judge said he would draw the names of 50 men from the wheel and they would be given to the sheriff and his 13 deputies to summon here by 9 o'clock Wednesday morning.

Cynthiana, Ky., Sept. 17.—Wednesday was entirely taken up in selecting a jury, which was accomplished at 5 o'clock Wednesday afternoon, when the full number was found. They are composed of good men, in fact, as good a jury, it is believed, as was the jury which tried Jett before. In politics ten are democrats and two are republicans. Ten are farmers and two live in Cynthiana, one of this last number, a grain dealer and one a tobacco handler. After selecting the jury, the indictment was read and the defendant pleaded not guilty, and the jury were sworn and placed in charge of Sheriff Leach and his Chief Deputy Rees. County Attorney Blanton, of Breathitt county, Sheriff McCord, of Clarke county, came in Wednesday afternoon on the 4 p. m. train, also one of the chief witnesses for the commonwealth, Riley Coldiron, came in. Very little interest is manifested in the case, as the court room is at no time more than one-third full.

HELD STREET SERVICES.

A Detachment of the Salvation Army at Winchester, Ky.

Winchester, Ky., Sept. 16.—A detachment of the Salvation army, commanded by Col. Richard E. Holz, of Cleveland, O., were here Tuesday afternoon and held services on the street. A large crowd was present and manifested much interest in the proposed invasion of the mountain counties. They left for Jackson, where they will procure horses and proceed eastward to the Virginia state line. It is believed here that much good will result from the trip.

Jackson, Ky., Sept. 16.—The Salvation army arrived here Tuesday night and held a brief meeting on the streets which was fairly well attended.

Jackson, Ky., Sept. 17.—The marching and exercises of the Salvation army that is touring the feudal district brought a very large crowd from the mountains to this city Wednesday. The parade and services here Tuesday night attracted large crowds, but it was not until Wednesday that the rural districts turned out on horseback, in ox carts and all sorts of vehicles, many also walking great distances. The meetings here are so successful that Col. Holz has decided to omit Hindman and Hazard from the itinerary and remain here over Thursday. The horseback ride of 35 miles over the mountains with a local guide to Salyersville will be made Friday, and continued thence for three weeks organizing local detachments of the Salvation army at different points. The religious services as well as the instrumental and vocal music commands close and respectful attention everywhere.

CONFINED TO HIS ROOM.

Sir Thomas Lipton Is Very Ill in the Auditorium Annex, Chicago.

Chicago, Sept. 16.—Sir Thomas Lipton arrived in Chicago Tuesday a very sick man, and now is confined to his room at the Auditorium Annex, with a physician in constant attendance.

Chicago, Sept. 17.—Physicians in attendance on Sir Thomas Lipton declared Wednesday night, just before leaving their patient, that his condition was satisfactory and he was not thought to be in any immediate danger. The following bulletin was issued just before the doctors left the hotel:

"The patient continues in the same satisfactory condition. (Signed) Homer M. Thomas, M. D., Geo. W. Webster, M. D., Nicholas Senn, M. D."

A consultation was held by the doctors just prior to the issuing of the bulletin and they gave the friends of Sir Thomas Lipton to understand that the necessity of an operation, while not obviated, was not immediate.

When the physicians were leaving, Dr. Senn remarked to Dr. Thomas: "We shall be lucky to pull him through this without an operation."

Dr. Thomas made no reply, but his manner indicated that he did not dispute the opinion expressed by Dr. Senn.

The distinguished patient is suffering from appendicitis.

OLD NEPTUNE'S FURY.

President, Wife and Son Were in Peril at Sea.

On Board a Naval Yacht While on a Visit to Ellis Island, They Passed Through a Terrible Wind and Rain Storm.

New York, Sept. 17.—President Roosevelt rested quietly in a train Wednesday night after a day of varied experiences. While on the way from Oyster Bay to New York on the naval yacht Sylph, he passed through a terrifying wind and rain storm, during which the vessel was in danger. Subsequently he visited the immigration station on Ellis island, New York bay, and made a thorough inspection of the institution.

Shortly after 10 o'clock Wednesday morning President Roosevelt boarded the Sylph in Oyster Bay. He was accompanied by Mrs. Roosevelt and their son Kermit, Mrs. Richardson, Secretary Loeb, Prof. Albert Bushnell Hart, of Harvard college; Prof. J. B. Moore, of Columbia university; C. Grant La Farge, of New York, and Jacob A. Riis, of Richmond Hill, Long Island.

Less than an hour after the Sylph had entered Long Island sound she ran into terrific wind and rain storm. The Sylph, a comparatively small vessel, pitched heavily, and off Willett's Point listed sharply to starboard. The president and his guests had been forced to go below and beyond a drenching, none of them suffered inconvenience. The storm became even more severe as the vessel neared Hell Gate. The waves and wind swept the deck, making it almost impossible for the sailors to remain exposed. The baggage of the party, consisting principally of hat boxes and dress suit cases, was swept about the deck and everything movable on deck had to be tied to prevent its being swept overboard.

The Sylph arrived off Ellis island at 2:25 o'clock. The president and his party were landed by the tug Chamberlain.

Despite the furious storm a large party had assembled at the island to greet the president. He was welcomed by Commissioner of Immigration William Williams and conducted to his office in the main building, where the president greeted those whom he had invited to be present.

During the afternoon the president, acting on his desire, went directly among the immigrants, with a view of ascertaining personally how they were treated.

The president's interest was attracted by a comely German woman, Adela Walter, from Leutendorf, who bore in a wicker basket a tiny 7-months-old baby. After chatting a moment with her the president slipped a \$5 bill into the hand of Jacob Riis to be given to the woman for her child. She nearly fainted on learning that the gift was from the president of the United States.

At 7 o'clock Wednesday night the president, accompanied by Secretary Loeb and his personal attendants went aboard the Sylph for dinner. At 10 o'clock they left for Jersey City on the tug Chamberlain, where they boarded the train for Antietam. There Thursday will occur the ceremonies incident to the dedication of the monument erected to the memory of New Jersey soldiers who fell in the civil war.

CENTRAL LEAGUE SEASON ENDS.

South Bend Will Contest Fort Wayne For First Place.

South Bend, Ind., Sept. 17.—The Central league season ended Wednesday. According to figures given out Wednesday night by President Bement, Fort Wayne is now in first place with a percentage of .645 and South Bend second with .636.

This standing, it is stated, will be changed at a meeting of the directors to be held this week, when the protested Grand Rapids-Fort Wayne game probably will be taken from Fort Wayne and given to Grand Rapids, as Directors Doran, of South Bend; Lander, of Dayton; Smith, of Terre Haute; Haulder, of Grand Rapids, and Irwin, of Wheeling, have signified their intention of voting against Fort Wayne. This will make South Bend and Fort Wayne a tie and will make it necessary for a special series which has already been arranged for.

THE MEXICAN VETERANS.

Resolution For a Dollar a Day Pension Was Passed.

Indianapolis, Ind., Sept. 17.—The ages of the 150 veterans present at the meeting here ranged from 72 to 86. Mrs. Moore Murdock, of Fort Wayne, the national commandant of the Dames of 1846, addressed the convention. A resolution to petition congress for a dollar-a-day pension to Mexican veterans was adopted. The Indiana association re-elected the old officers and fixed Bedford, Ind., for the next annual meeting.
